The new QuikTrip Credit Card, which can be used at any QuikTrip throughout the United States for food, fuel and other qualified purchases, will provide rewards points and fuel discounts to card holders.

All fuel purchases made with the QuikTrip credit card will receive a three-cent per gallon discount. During the first two billing cycles, cardholders will receive a statement credit for an additional 22-cent discount on their fuel purchases up to a 200 gallon limit.

In addition, cardholders will earn 100 bonus points upon approval and one point for each dollar spent on qualified QuikTrip in-store purchases. Each 200 points will earn cardholders a \$10 QuikTrip gift card. Bonus savings and other promotional offers are planned throughout the year.
