## **First National Bank's Small Cap Value Team Named SMA Small Cap Equity Manager of the Year**

(Omaha, NE – June, 1, 2016) – Investment Advisor Magazine and Envestnet | PMC named First National Bank's investment management subsidiary, Tributary Capital Management, the winner of the SMA U.S. Equity Small Cap Manager of the Year for 2016 during a ceremony at Envestnet's Advisor Summit in Chicago.

For the 12th consecutive year, Investment Advisor has partnered with the experts and analysts at Envestnet | PMC to identify the best separately managed account managers that advisors can use on behalf of their clients. The winners are chosen based on their performance and consistent processes, as well as their focus on client service and tax efficiency.

To be eligible for the award, the manager's product must be available on PMC's research applications and have at least \$200 million in assets. Managers must have at least three years of experience running the strategy.

During the ceremony, the tenure of the Tributary Capital Management team was highlighted as well as the consistent and disciplined focus on their philosophy and process.

"Knowing the multi-faceted approach used by Envestnet to identify the top performing institutions for this award, it is an honor to be selected as one of the managers of the year on their platform," stated Mark Wynegar, Portfolio Manager for the Small Cap Strategy.

Tributary Capital Management, LLC, is a wholly-owned subsidiary of First National Bank of Omaha and an SEC Registered Investment Advisor providing asset management services to individuals, institutions and investment companies.
